### **Private Track Rental**

- ❖ The track is dedicated to your guests. Speed Circuit will run 6- to 8-minute races for the time you have rented the track. This will give your guests the opportunity to race as much as they like. Another option, our most popular team-building tool, is the Endurance race (1-1/2-hour minimum). Each team will take part in a relay race. Karts are placed on the track and teams race head-to-head. Let your team managers develop race tactics while divisions, departments, and branches cheer on their driver. The team that completes the most laps within the given time period wins!
- ❖ \$1,300 / hour
